

Our Merlin Cabin boats are perfect for a mobile mini vacation, home to take your family on waterborne adventures. Even with small cabin cruisers you have the flexibility to visit new waterways, spend long weekends enjoying the boating lifestyle, or just kick back for a day of swimming and relaxing on the water.

Our Cabin boats are bespoke and we encourage customers to be a part of the build process. You can choose the colour of the hull, cushion sets and other optional extra's that will reflect your personality and make the Merlin uniquely yours.

And... one other main perk, the Merlin is easily 'Trailer-able'
